Local Business

AI & Tech

Nano Creators 500 – 5K followers

Micro Creators 5K – 15K followers

How We Work

A precision-engineered campaign process — from brief to results

01

Creator Shortlisting

Niche, audience & brand-fit matching from our curated 25+ network

02

Brand Briefing

Clear brief, scripting guidance & campaign objectives alignment

03

Draft Review & Feedback

Content drafts reviewed against brand guidelines before posting

04

Content Approval

Final approval on all deliverables — zero surprises

05

Posting Verification

Confirmed live posts tracked with screenshots and links

06

Tracking & Reporting

Daily monitoring + weekly performance report with insights
